EXECUTIVE SUMMARY

The Brandon Michaels Group of Marcus & Millichap has been selected to exclusively market for sale 21721 Vanowen Street, a 1.52 Acre (66,094 square feet) covered land opportunity consisting of a 32,190 square foot 100% occupied signaled corner value-add shopping center ideally located within the boundaries of the Warner Center Specific Plan in the River District, Warner Center's most desirable development district. The Warner Center River District affords a developer a by-right FAR of 4.50, unlimited height, and no non-residential floor area requirement (unique only to the River and North Village districts).

21721 Vanowen Street is ideally located within the barrage of new hotels, residential buildings, and multi-use complexes and positioned within close proximity to some of the country's largest planned developments. The Westfield Promenade and former Anthem Blue Cross office tower, less than a mile from the subject property, was just bought by Los Angeles Rams owner Stan Kroenke. These sites are planned for massive redevelopment involving a new practice facility for the Los Angeles Rams football team and a large mixed-use development. The former Westfield Promenade is entitled for a \$1.5 billion renovation which includes retail, Class A office, two hotels, 14,000 residential units, and an entertainment and sports center. Across the street from the subject property, Uptown at Warner Center is receiving a \$3 billion capital infusion to complete a mixed-use development. Significant growth is projected in the immediate area, with 37 million square feet of business and residential buildings, 14 million square feet of non-residential building area, 20,000 residential units, and 80,000 new jobs slated to be completed by 2035.

21721 Vanowen St is currently improved with a 32,190 SF multitenant retail strip center. The property is fully occupied by four (4) tenants all on NNN leases. While the existing tenancy has lease expirations ranging from 2025 to 2028, there are termination provisions included in the leases allowing a developer to remove all tenants by 2028, allowing ample time to obtain entitlements while receiving stable cash flow.

21721 Vanowen St is located on the NW signaled corner of Vanowen Street and Owensmouth Avenue. The subject property benefits from daily traffic counts of more than 24,000 vehicles per day and is situated directly in front of a major bus route. The subject property also benefits from 77 dedicated parking spaces, a parking ratio of 2.39 spaces per 1,000 SF, and ease of ingress and egress to the east along Owensmouth Avenue and to the west along Jordan Avenue, with multiple access points.

- **Superior Los Angeles Zoning** - Located within the River District of the Warner Center Specific Plan, the plan area's most desirable zoning district
- **Intense By-Right Development Potential** -By-right 4.50 FAR and unlimited height, max 6.0 FAR and unlimited height using Incentivized Uses
- **Unlimited Density** - Projects within the boundaries of the Warner Center Specific Plan are permitted unlimited density and do not require the inclusion of affordable housing units
- **No Non-Residential Floor Area Requirements** - Unlike other Warner Center Specific Plan districts, the River District does not require any non-residential floor area, allowing for an 100% multifamily apartment project
- **Cash Flow During Entitlements** - Staggered lease expirations and termination agreements in place to remove existing tenancy by 2028
- **Qualified Opportunity Zone** - The property is ideally situated in a qualified opportunity zone
- **Transit Oriented Communities (TOC) Designation** - Because of the property's proximity to the Orange Busway's De Soto Station, the property is designated a TOC Tier 3
- **AB 2097** - The site's proximity to transit permits the use of AB 2097, eliminating any requirements for parking

VALUE-ADD

RETAIL STRIP CENTER

- **Rare Strip Center Asset Well-Located in a Strong Commercial Corridor** - A 32,190 square foot, four (4) tenant strip center on the NW signalized corner of Vanowen Street & Owensmouth Avenue
- **100% Occupied with Significant Rental Upside**- NNN leased with rents that average \$1.86/SF, significantly below current market rents, presenting limited downside risk in a prime West San Fernando Valley location
- **Seasoned Tenancy** - Average history of occupancy in excess of 11 years
- **Staggered Lease Rollover** - Leases have rolling expirations from 2025 to 2028; Weighted average lease term remaining of 2.25 years
- **Options to Extend** - All tenants except Cycle Gear have at least one (1) five-year option to extend the term of their lease; Western Dental Services, Inc has two (2) five-year options.
- **Unit Sizes** - The four (4) retail units average 8,048 SF
- **Well Performing Submarket** - The immediate submarket boasts vacancy rates below 5% with strong absorption and limited competing retail space
- **Rent Growth** - Over the past 10 years, rents have risen 30% in the Woodland Hills/Warner Center submarket, inline with or greater than the Greater Los Angeles area.

EXPANDING WARNER CENTER

THE PERFECT MIX OF LIVE, WORK, AND PLAY

- **Future Los Angeles Rams Presence** - Stan Kroenke purchased the Westfield Promenade and the former Anthem Blue Cross office tower, located less than one mile from the subject property, which is expected to be one of the largest redevelopments throughout Southern California, and will include a new practice facility for the Los Angeles Rams football Team
- **Considerable Nearby Development** - More than 3,500 units delivered since the inception of the Warner Center specific plan in 2013 with an additional 5,700 units under construction or in planning
- **Rapid Projected Growth in the Warner Center Specific Plan Area** - Projected growth is expected to reach 37 million square feet of business and residential buildings, 14 million square feet of non-residential building area, 20,000 residential units, and 80,000 new jobs by 2035
- **Adjacent to Some of the Country's Largest Developments** - Uptown at Warner Center, which is directly catty corner to the subject property, is receiving a \$3 billion capital infusion to complete a groundbreaking mixed-use development
- **Strong Immediate Demographics** - More than 48,000 people in a one (1) mile radius with average household incomes exceeding \$88,000

WARNER CENTER 2035 Plan

Approved by the Los Angeles City Council and effective December 25, 2013, the Warner Center 2035 Plan ("WC 2035 Plan" or the "Plan") is a development blueprint for Warner Center that emphasizes mixed-use and transit-oriented development, walkability and sustainability. The WC 2035 Plan encompasses approximately 1,100 acres, or 1.7 square miles, and is bound by the Los Angeles River to the north, the Ventura Freeway to the south, De Soto Avenue to the east, and the west side of Topanga Canyon Boulevard to the west.

The WC 2035 Plan provides urban design guidelines including increasing the Floor Area Ratios (FAR), height and density for commercial and mixed-use lots. The Plan is targeted at a net increase of 14 million square feet of new, non-residential area, including 12.5 million square feet of office uses and 2.3 million square feet of retail uses. The Plan also seeks to develop 23.5 million square feet of new residential area or approximately 20,000 units.

THE KEY ELEMENTS OF THE WC 2035 PLAN

- Increased development potential in terms of maximum permitted floor area ratios (generally up to 4.5:1) and building heights (generally unrestricted).
- Promoting structural development with centers of greater residential density and commercial/industrial activity.
- Provision of green building standards including diminished energy utilization and collection and filtration of rainwater.
- Promoting ground floor retail, flexible community space and other pedestrian-oriented uses, with a focus on cultivating active, complete streets.
- Creating a place where people can live, work and play and where day-to-day needs can be met locally by walking, bicycling or utilizing public transit.
- Establishing connectivity networks, including new streets and pedestrian adapted pathways within the established districts.
- Creating a network of accessible open spaces to encourage public gathering and pedestrian activity.
- Establishing an urban environment that is generously landscaped with large parkways, medians, a 5 acre park area and open spaces pertinent to each individual building.
- Continuation of the industrial tradition in the area by establishing green and clean professional, scientific, and technical businesses, including engineering, environmental consulting, or research and development companies.

WARNER CENTER 2035 Plan

The WC 2035 Plan divides Warner Center into eight districts, each with its own development guidelines: Uptown, River, North Village, Downtown, Commerce, Park and Topanga. Uptown at Warner Center is positioned in the Uptown district.

THE UPTOWN DISTRICT

Envisioned for large-scale office, residential & hotel uses.

THE RIVER DISTRICT

Will consist of properties along the river and add new pedestrian and bicycle paths.

THE NORTH VILLAGE DISTRICT

Served by the Canoga and De Soto Metro Stations, will combine residential with transit-oriented development.

THE COLLEGE DISTRICT

Served by the De Soto and new Oxnard Street Orange Line stop, will focus on live-work projects and smaller developments.

THE COMMERCE DISTRICT

Served by the Oxnard Street Station, will become a secondary job center to the Downtown District.

THE PARK DISTRICT

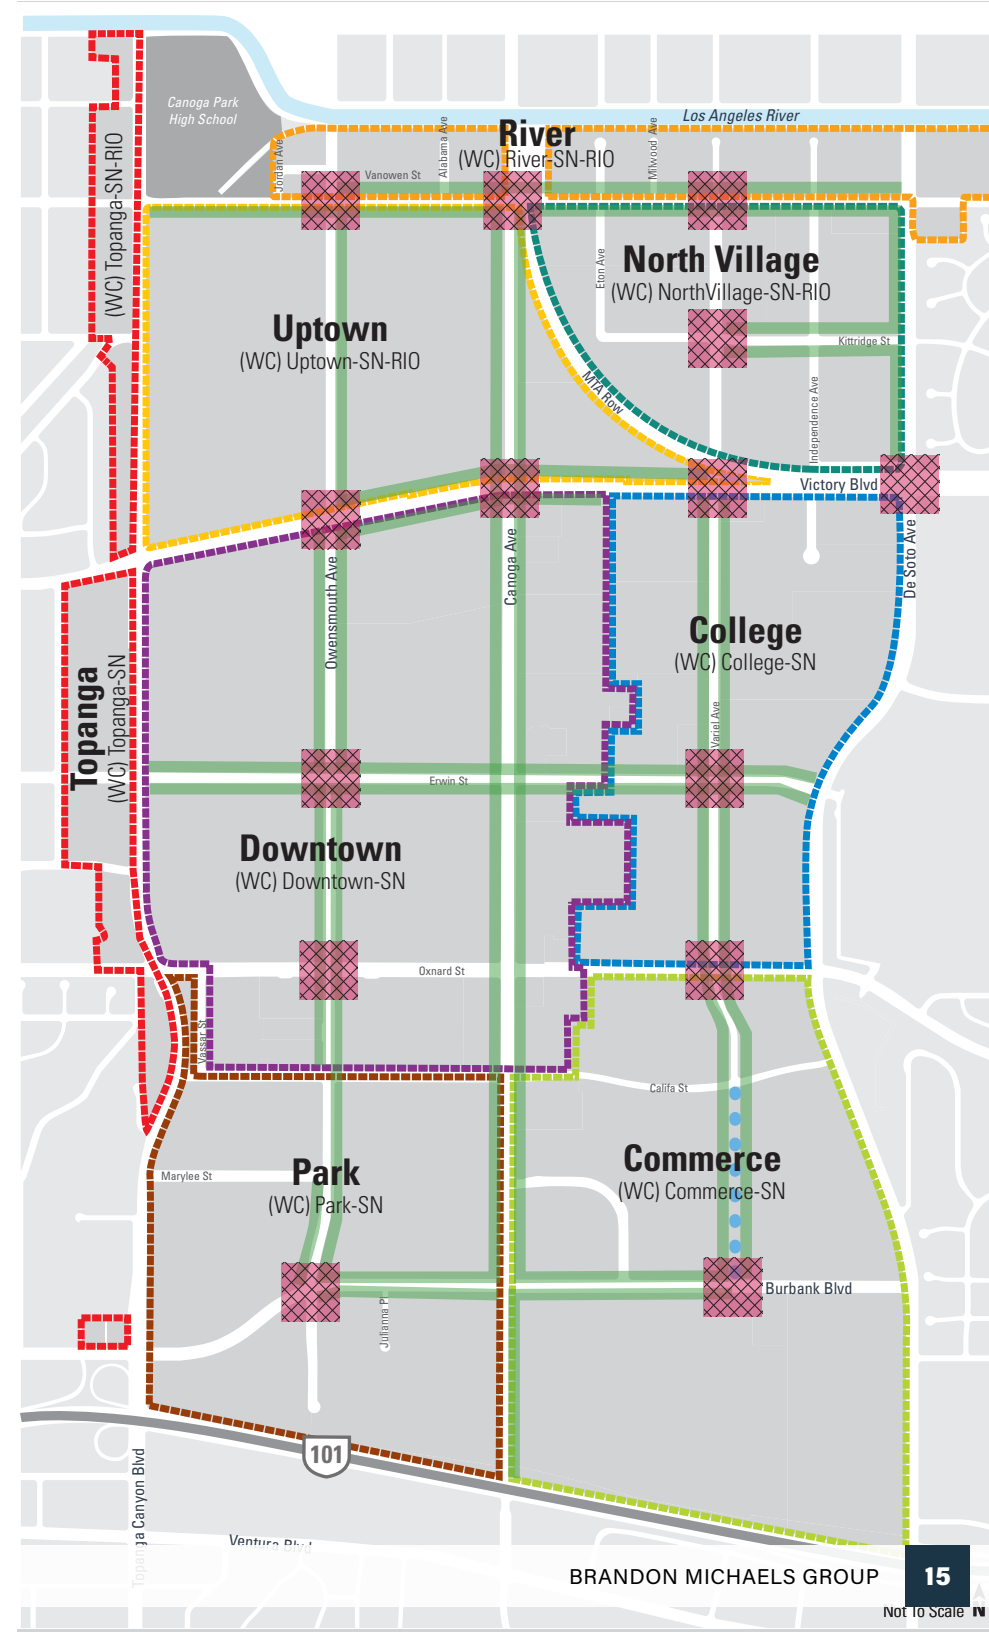

Which includes the Warner Center Park, will allow townhomes and flats.

THE TOPANGA DISTRICT

Will only allow non-residential uses.

THE DOWNTOWN DISTRICT

Will focus on entertainment uses and encourage mixed-use development.

RIVER DISTRICT DEVELOPMENT GUIDELIN

Density: Unlimited

- Maximum Residential Density: Not limited by Density
- Dwelling Unit Requirements: Minimum 300 square feet of habitable space per residential unit

Height: Unlimited

- Any Project over 75 feet in height shall be subject to additional submittal requirements as set forth in the Mitigation Monitoring Program

Setbacks:

- Minimum 12 feet, Maximum 15 feet
- Minimum 30% of Setback to be Landscaped

Street Standards: Vanowen Street

- 52-foot Half Right-of-Way
- 40-foot Half Roadway
- A dedication may be required based on existing Right-of-Way and Roadway, to be verified with a survey or engineer

Ground Floor Limitations:

- No residential use permitted on ground floor
 - » Non-habitable uses to be used in conjunction with residential uses are permitted, including Work portion of Work-Live Unit
- Ground floor parking permitted when a minimum 80% of the ground floor frontage on any side of an above-grade parking structure adjacent to a public street or public open space includes ground floor non-residential uses subject to design and materials standards

Publicly Accessibly Open Space (PAOS):

- Minimum 15% of net site area (after dedications)
- Requirements: contiguous, internally and externally integrated, accessible to public from 6 AM-10 PM, 7 Days/Week, open to the sky, 50% landscaped, provide 1 seat per 500 SF of PAOS
 - » 100% of an Emergency Vehicle Access Lane may be counted towards PAOS, upon meeting certain requirements
 - » May be located above the ground floor, upon meeting certain requirements

Parking:

- Residential: Minimum 1 space/unit, Maximum 2 spaces/unit
 - » Guest Parking: 0.25 space/unit for 100 unit or less project; optional for more than 100 unit project
 - » May increase maximum residential parking by 12.5%, if meets certain requirements
- Commercial: Minimum 2 spaces/1,000 SF, Maximum 4 spaces/1,000 SF
- Office: Minimum 1 space/1,000 SF, Maximum 4 spaces/1,000 SF
- AB 2097: Because of the site's proximity to transit a new development can invoke California's AB 2097, eliminating the requirement of any parking

Incentivized Uses and Bonuses:

- Each Incentivized Use provided yields one Development Bonus, and a Project may combine Development Bonuses of the same bonus type if multiple Incentivized Uses are provided.
- Qualifying Uses: 7,500-SF Grocery Store, Fully Subterranean Parking, Five (or more) Ground Floor Local-Serving Retail, 5,000-SF Community-Serving Use, 50% More Publicly Accessible Open Space (above regular requirement), and LEED Gold or Equivalent Projects
 - » Accessible to public during regular business hours
 - » Minimum 40 hours of operation/week
 - » Provide an incentivized use in perpetuity
- Development Bonuses: 0.5:1 Additional FAR (up to maximum 6.0:1 FAR), or 3% Reduction in Mobility Fees (up to 12% maximum reduction).

Active Street Frontage: Vanowen Street

- Ground floor parking permitted when a minimum 80% of the ground floor frontage on any side of an above-grade parking structure adjacent to a public street or public open space includes ground floor non-residential uses subject to design and materials standards
- Limited to ground floor non-residential uses to a minimum depth of 25 feet from the building frontage along the Active Street, minimum 15-foot floor-to-floor height, and subject to certain design standards
- Certain residential uses are permitted, including the Work portion of Work-Live Units, which must be accessed individually and directly from abutting street
- Maximum fence or wall height of 42 inches

Urban Design Standards/Guidelines:

- There are various Design Standards pertaining to articulation and materials for the building façade (especially the ground floor), and for parking, lighting, and landscaping, which must be satisfied. The Specific Plan also contains Urban Design Guidelines, compliance with which is highly encouraged but not required. All Projects are subject to review by the City's Urban Design Studio.

Developments Within the Plan:

- **Entitlements Process** - in lieu of the city's typical Site Plan Review process for a project resulting the construction of 50 net new dwelling units or 50,000 net new gross square feet, projects within the Warner Center Specific Plan area are subject to Project Permit Compliance, an expedited discretionary approval process administered by the Department of City Planning
- **Environmental Review** - As part of the Warner Center Specific Plan approval process, the City certified a Master EIR contemplating large-scale development within the area. As a result, most projects within the Plan area can be approved under a Negative Declaration (ND) or Mitigated Negative Declaration (MND).
- **Processing Approvals** - A developer proposing a project conforming to the Warner Center Specific Plan can process approvals through the "Project Permit Compliance" process which the City estimates will take 4-6 months for approvals. No separate CEQA approvals are required.

WARNER CENTER

Warner Center in Los Angeles is a dynamic neighborhood known for its thriving business hub, diverse residential communities, upscale shopping, and vibrant community.

Warner Center is one of Los Angeles' largest urban developments, offering a sweeping complex of office parks, high-rises, apartments, and shopping centers. It is home to approximately 20,000 residents and employs more than 50,000 people. This western San Fernando Valley neighborhood is bordered by Woodland Hills to the south, east, and west, and Canoga Park and Winnetka to the north. Known as the central business district of the San Fernando Valley, the district combines a mix of office buildings, hotels, world class restaurants, shopping centers, and business parks. With the advent of the Warner Center 2035 Plan in 2013, Warner Center is quickly becoming one of the fastest growing sub-markets in the country. The Warner Center 2035 Plan is a development blueprint for Warner Center that emphasizes mixed-use and transit-oriented development, walkability, and sustainability.

LOS ANGELES RAMS

& Stan Kroenke

Stan Kroenke's, owner and chairman of the Los Angeles Rams, recent purchase of nearly 100 acres of Warner Center land has resulted in the highly anticipate move of Los Angeles Rams practice facility with reportedly more in store.

Body: 2022 was a momentous year for Los Angeles Rams owner and chairman, Stan Kroenke. Following a purchase of nearly 100 acres of land in the rapidly expanding Warner Center area, including the Westfield Promenade shopping center, Westfield Topanga shopping center, and former Anthem Blue Cross office tower nearby, plans have been announced to move the Los Angeles Rams practice facility. For the time being, plans include occupying a portion of the former Anthem Blue Cross parking lot with several modular buildings for office space, a gym, and two outdoor football fields.
