# EXECUTIVE SUMMARY

The Brandon Michaels Group of Marcus & Millichap, as Exclusive Advisor, is pleased to present 200–208, 222–236 W Main Street, a 30,477 SF multi-tenant street retail portfolio situated on 0.70 acres (30,638 SF) of land in the heart of Alhambra, CA. The portfolio is positioned along Main Street, Alhambra’s primary commercial corridor, at the signalized southwest corner of S 2nd Street, benefiting from traffic counts in excess of 24,000 vehicles per day and a Walk Score of 94 (“Walker’s Paradise”) in a highly supply-constrained infill submarket.

The offering consists of six (6) parcels, available individually or as a portfolio, and is currently 91.8% occupied. The tenant mix is comprised primarily of neighborhood-serving and experiential uses, including restaurants and cafés, music instruction, a cosmetology school, salon services, and childcare – daily need and service uses that benefit from Main Street’s walk-in traffic. With the exception of Unit 7 and 230, the majority of tenants are on short-term leases, with a weighted average lease term remaining of approximately 1.77 years, providing meaningful near-term flexibility.

The portfolio generates \$54,452.38 per month (\$1.95/SF), or \$653,428.56 annually, with all tenants subject to 3% annual rent increases. In addition, all tenants, excluding Unit 200 and the second-floor tenants, pay a fixed \$0.50/SF CAM reimbursement.

## AREA OVERVIEW

# At the Heart of the Alhambra Mosaic

Alhambra is a dense, infill San Gabriel Valley city centrally located east of Downtown Los Angeles and recognized for its vibrant Main Street commercial district. The city's downtown core has historically served as a focal point for dining, retail, and service-oriented businesses, and continues to benefit from city-led revitalization efforts, a pedestrian-friendly layout, and a strong sense of place.

**Main Street Portfolio**  
200-208, 222-236 MAIN ST | ALHAMBRA, CA 91801

Downtown Alhambra, often referred to as the “Alhambra Mosaic”, is organized around Main Street and Garfield Avenue and is characterized by a diverse collection of restaurants, cafés, boutique retail, and neighborhood-serving services. This concentration of amenities, combined with regular community programming and events, reinforces Main Street as a destination corridor rather than a purely pass-through retail strip.

The area's walkable urban fabric is supported by convenient regional access. Alhambra is well connected to the greater Los Angeles area via Interstates 10 and 710, allowing for efficient access to Downtown Los Angeles, the western San Gabriel Valley, and surrounding employment centers. These

transportation linkages, paired with the district's pedestrian orientation, support sustained tenant demand from both neighborhood-serving and experiential retail operators.

The subject portfolio's position along Alhambra's Main Street places it squarely within the city's primary commercial spine, benefiting from the corridor's established retail identity, steady foot traffic, and amenity-rich environment. This location supports long-term relevance for food, service, and experiential tenants seeking visibility and connectivity within one of the San Gabriel Valley's most established downtown districts.
